Paid Fine With Money\*Would Bring Foreign\*W. R. Hearst Gives U won on Lottery Plants Into the C. Money to Build Ticket. United States. Large Auditorium.

BRANCH OFFICE, 2121 STANFORD PLACE TELEPHONE MASON 1761

BERKELEY, Sept. 5.—With \$15,000 yesterday afternoon she paid the sum to In the bank, the proceeds of a single lottery ticket, and after spending half a day in the custody of Marshal Kerns, Mrs. Mary Thompson, who was found guilty of violating the mile limit law, decided that she would prefer to pay a fine of \$50 rather than spend the remainder of a term of six months in the county jail. Accordingly, about four o'clock yesterday afternoon she paid the sum to Marshal Kerns. Mrs. Thompson had been in his custody since 11 o'clock in the morning. Marshal Kerns has turned the money over to the County Treasurer. Mrs. Thompson at first refused to pay the fine and said that she would appeal to the Supreme Court and fight the case to a finish there. The utter

Jim Dumps would walk the floor for hours With baby, who yelled with all its powers. If tacks attacked his feet so bare, In double blanks Jim Dumps would swear. Such trifles now don't bother him, For "Force" has made him "Sunny Jim!"

month from one of the lottery companies. She paid out today \$500, thus leaving her \$14,500. Thus paying out \$500 a time, she can still stand for 29 more times.  
Chandler's story was confirmed by neighbors, who are well acquainted with Mrs. Thompson.

### WOULD INTRODUCE FOREIGN PLANTS INTO AMERICA.

BERKELEY, Sept. 5.—To search the world over for products of the vegetable kingdom and to introduce these products into the United States, and thus increase the natural resources and wealth of the country is the task to which Barbour Lathrop of Chicago has for the past seven years devoted his time, energy and fortune. Accompanied by an assistant, D. G. Fairchild, Mr. Lathrop returned recently from Japan. Seeds and cuttings of 150 different plants native to foreign countries were brought to the University yesterday by Mr. Fairchild. These will be planted in the University experiment stations and an attempt made to introduce them into California.

The cost of the expedition is borne entirely by Mr. Lathrop. During the last seven years he and Mr. Fairchild have travelled through South America, the Dutch East Indies, Australia, Europe and Egypt in search of plants which show some likelihood of being able to be grown in America. The seeds and cuttings thus obtained are given away to experimenters in different States.  
"Mr. Lathrop's idea," said Mr. Fairchild yesterday, "is that a country's wealth does not consist alone in mineral deposits and industrial activities. While these things enter into it, yet the chief factor is the amount and variety of its agricultural production. Believing this he has set himself to the task of increasing the variety of the agricultural products of his country. He has for seven years been paying the entire expenses of expeditions to all parts of the world. His motive is purely patriotic as he charges nothing for either the seeds or cuttings which result from these expeditions. He desires only that an attempt be made at their introduction into the United States."

Chief among the many different species of the plant family, which the University will attempt to grow are the date palms of Persia, the bamboo of Japan, the mangoes of Bombay, the leichee nut of China, the hard-fleshed persimmon, the ornamental potted lotus plant, a new salad plant, ornamental cherries and a Chinese peach. The latter fruit is especially interesting. It is red-fleshed, and is expected to make a very good ship.

### UNIVERSITY OARSMEN WILL START TRAINING TOMORROW.

BERKELEY, Sept. 5.—The candidates for the class and Varsity boat crews of the State University will begin training tomorrow afternoon at Session's Basin in the Oakland estuary. Meets have been arranged with a crew from Astoria, Portland and with the University of Washington. A challenge has been sent to the Victoria Athletic Association, and it is expected that a meet will be arranged with the British Columbia team.  
At the present time it would seem that the chances are good for an intercollegiate meet with Stanford this year. It is understood that a club is being organized in Stanford, and assurance has been given that if the organization is perfected this term, Stanford will row against the State University in the fall semester.  
The semi-annual regatta of the as-

sociation will be held in November. It is for this contest that the men will start their training tomorrow. The services of Mr. A. Peterson, the world's champion professional oarsman, have been secured as coach.

### EIGHTY CHILDREN WILL PRESENT OPERA TONIGHT.

BERKELEY, Sept. 5.—The operetta "Dame Firefly" will be presented this evening at Shattuck Hall under the auspices of the ladies of St. Mark's Episcopal Church of this city. In all about eighty children will sing in the opera. The children have been trained to a high degree of excellence by the director, Miss Undiff of St. Louis, and the sale of tickets thus far would seem to show that the house will be crowded. The proceeds will go to the Ladies' Aid Society.  
The principal parts will be taken by the following young ladies: Fanny Dancers—Moon, Maugie Robinson, Star, Alice Borel; Sweet Peas, Alice Borel, May McWhorter, Helen Hutton, Drucilla Clay; Vesta, Edna Duff; Vermillion, Pierpont Coverthwaite; Sharp Point, Fletcher Swan; Giant, H. H. Barnhart; Witch, Miss Coverthwaite.

### WILL PRESENT COMEDY TO EQUIP GYMNASIUM.

BERKELEY, Sept. 5.—Goldsmith's comedy, "She Stoops to Conquer," which was presented on Class Day by the members of the last graduating class of the Berkeley High School, will be produced a second time by them. The second performance will be a benefit for the proposed girls' gymnasium at the High School.  
The exact date for the second production has not as yet been set. The cast for the play will be as follows: Sir Charles Marlow, Louis Hickey; Mr. Hardcastle, Sam Hume; Young Marlow, William Warren; Hastings, Ralph Brock; Tony Lumpkin, William Henry; Digsway, Walter Hanna; Jeremy, Walter Radford; Landlord, Minot Goodman; Mrs. Hardcastle, Eugenia Keller; Miss Hardcastle, Mabel Knoll; Miss Nevill, Ida Henley; Maid, Pearl Lewis.

### HIGH SCHOOL BOYS BEGIN FOOTBALL PRACTICE.

BERKELEY, Sept. 5.—Twenty-three men in all have signed the roll of candidates for the Berkeley High School football team. The squad started earnest practice yesterday. They will be coached by Leslie Symmes and R. A. Saeffer, both of the University of California.  
The names of the men are: Centers—S. Hanna and Hamilton; Mincher; Guards—Merritt, Kerr, Connelly and Mills; tackles—Easton, Hanna and Freuler; ends—Kyle, Duggan, Maize, Solinsky and Shuey; backs—McKeown, McQuestren, Helm, Kreuss and Patterson; quarters—Grant, Munson, Shafer and Peterson.  
The schedule of games will be announced later.

### WILL LEAD YELLING AT INTERCOLLEGIATE GAME.

BERKELEY, Sept. 5.—Le Roy G. Smith was elected yell leader at a meeting of the Rooters' Club held yesterday afternoon on the football bleachers. He will direct the yelling at the practice games, at the rallies and at the intercollegiate game. He has appointed Robert Sibley as his assistant.

### WILL CONSTRUCT AUDITORIUM FOR UNIVERSITY AMPHITHEATRE.

BERKELEY, Sept. 5.—William R. Hearst has offered to defray the expenses of equipping as a permanent out-door auditorium the natural hollow in the hills on the University campus back of the chemistry building now known as "Ben Weir's Amphitheater."  
Mr. Hearst's gift will render possible

Good Spirit, Miss Wollner; Cupids, Olive Pierce and Martha Wilson. The performance will be repeated on Saturday afternoon at half past two o'clock.

### CHILD INJURED PLAYING WITH PERCUSSION CAPS.

BERKELEY, Sept. 5.—Charles Johnstone, the little six-year-old son of A. Johnstone, superintendent of the Standard Rock Quarry, located about three miles north of the town line, had his hand shattered late yesterday afternoon by the explosion of percussion caps with which he had been playing. He had found the caps on the ground, and was endeavoring to pick out the contents when the explosion occurred. The child was taken to Dr. Gladding for treatment. It was found necessary to amputate the thumb and two fingers of the injured hand.

the execution of plans drawn by Mr. John Galet Howard, supervising architect of the University. The new amphitheater will have a seating capacity of more than four thousand. The original and artistic design will enhance the natural beauty of the spot.  
At the point where the basin narrows into the canyon there will be erected a stage surmounted by a high arching open-work shell. The proscenium arch, fifty feet wide and forty feet high, will be flanked by masts each seventy-five feet in height, from which will float the national flag and the University colors. # INDIANS IN A BIG FIGHT.

THEY WERE GIVEN SOME LIQUOR AND THEN WENT ON A WILD TEAR.

# CONDITION IS VERY SERIOUS.

THOUSANDS OF LIVES WOULD BE LOST BY A TIDAL WAVE.

SACRAMENTO, Sept. 5.—A crowd of Indians, armed with clubs, committed a murder near Elk Grove, and then went on a wild tear.

Several hundred Indians from the State of Nevada, now employed in the hop fields near Elk Grove, in some way a crowd of the natives got hold of liquor and yesterday afternoon, although great care is usually taken to keep them from getting hold of the stuff, after they had drunk considerably, several of the Indians started for Elk Grove with the intention of killing some Indians. On the road, they met two men, Fred Nye and an Indian named McCarthy, who had started from Elk Grove to the hop fields. They had some wine with them and the Indians demanded drinks of the liquor. At first the white men refused to give them any but afterwards consented to let them take a drink. The liquor started the Indians and they demanded all the wine. This was refused them and some of them became frantic with rage and a determination to have all of the wine. They had to spill blood to get it. The Indians set upon the white men and killed them. One of them carried a heavy club and with this he literally beat and McCarthy to the ground. Fred Nye was also terribly beaten and but it is now thought he will recover from his wounds. He was taken to Elk Grove this morning by Constable Hopkins, where his wounds were dressed.

A body of the dead man was taken to Elk Grove this morning. Coroner M. Mallon has gone to the scene of the murder to make an investigation. The District Attorney, C. V. Baker, and Deputy Sheriff Charles Schwilk also went to Elk Grove this morning. The Indians who were killed were nearly all night. It was decided not to make any arrests until noon today, when the Indians would come out for the bodies for their dinner. Little is known at Elk Grove about McCarthy. He came to that place from Teoli.

### MANY ATTRACTIONS WITH BUFFALO BILL'S SHOW.

The Deadwood coach employed in Buffalo Bill's Wild West show is made the center of some very exciting action, in which Indians and cowboys "mix up" with characteristic energy.

The passengers aboard are invited to join among the spectators, and when the Wild West was in London a race in the old coach was an eagerly sought experience by the nobility.

Both the present King of England and the Emperor of Germany have ridden in the Deadwood coach through the smoke and racket of mimic battle.

By the way, the coach, like everything else shown, is genuine. It formerly was used in California, having rounded the Horn in 1857.

The above and other well known and popular features of this famous historical exhibition, such as the big battle scene, the wonderful lassoing of the Mexicans, the daring riding of the bucking horses, the cowboy, cavalry and artillery drills by United States soldiers, Indian war dances and the wonderful shooting of Colonel Cody "Buffalo" Bill and Johnny Baker with all his team, horses and

### GARBAGE DEAL IS ALARMING.

**CITY COUNCIL IS REQUESTED TO  
HAVE THE CENSUS OF THE  
CITY TAKEN.**

At the meeting of the Board of Directors of the Oakland Board of Trade, held this morning in the rooms of the Board, 522 Twelfth street, several matters of public interest were passed upon.

A resolution was presented requesting the City Council to order a census of the city taken to ascertain if there are not within the corporate limits of the city 75,000 inhabitants, that it is such is the case, and if so, to have the same taken, and if the result shows that there are more than 75,000 inhabitants, and thus the mail facilities, which are now badly hampered on account of an insufficiency of help, may be remedied and the merchants get their mail much quicker.

The resolution passed by the Board was as follows:

"Whereas, The rapid increase in the business and population of Oakland renders an extension of the mail service extremely desirable; therefore be it

"Resolved, That the Oakland Board of Trade requests the City Council to order a census to be taken to ascertain if there are not within the corporate limits of the city 75,000 inhabitants required to give the city an increase in the number of carriers and collectors, provided such a census will be adopted by the United States Government.

"The Postoffice receipts and the school census both clearly indicate that the population is now above the 75,000 entitling the city to such increase, which will be a benefit to business and a convenience to the public."

Another matter of considerable moment just at this time, upon which the Board of Directors took decided action, was the existing condition of the garbage question.

The fact that the responsibility of the non-removal of refuse was being passed from one portion of the city government to another was deplored, and it is a menace to the health of our people, while the statements going forth throughout the country that such a detrimental effect upon prospective settlers in this city, and that the Board of Directors, in meeting assembled, will have a meeting on the 11th inst. at 11 a. m. to consider the garbage question, and the Board should hold a joint session at the earliest possible moment and determine upon a method which shall give immediate relief.

"SOI. KAHN, President.  
"EDWIN STEARNS, Secretary."

### WOMEN ARE NOT CONSIDERED.

TRADES UNION CONGRESS WOULD  
NOT PASS RESOLUTION IN  
THEIR FAVOR.

LONDON, Sept. 5.—The Trades Union Congress today rejected a resolution introduced by the General Union of Workers to the effect that "the time had now arrived when in the economic interests of women the franchise should be extended to them on the same plane as it was or may be to men."

A naturalization resolution, presented by the Manchester Jewish Tailors' Union was adopted. It asks for a reduction of the naturalization fee so that it may be within the reach of every workman who is a member of a union and has been for a period of five years.

The Congress also adopted a motion favoring the payment of members of Parliament in order to allow all sections of the community to be adequately represented in the House of Commons.

It was also voted that the Parliamentary Committee be instructed to introduce a bill in the House of Commons to prevent any children under 15 years of age being employed in any textile or non-textile factory.

The Cigar Makers' Mutual Association introduced a resolution aimed against "capitalist combines," which was unanimously adopted.

It was as follows: "That in the opinion of this Congress the growth of gigantic capitalist trusts, with their enormous power of controlling production, is injurious to the advancement of the working classes, as by such combination, the standard of comfort of the people can be reduced, and the workers' freedom endangered and national prosperity imperiled."

The speakers contended that the time had arrived when if the State did not control the trusts, the latter would permanently solve the difficulty of the people in national ownership and control of these monopolies.

At the instance of the Navvies and General Laborers' Union, the following resolution was passed:

"That this Congress of British trade unionists places on record its equal disapproval of the war against the Orange Free State and Transvaal Republic, believing that the question of extending the franchise and the protection of industry was not the real cause of the dispute, but the mere shield to cover an unscrupulous conspiracy to grab territory and replace well paid white labor with unpaid, partially enslaved blacks and Asiatics."

During the Game in \* other Bunch of Money  
Los Angeles. \* on Jackson.  
\*\*\*\*\*

Crystal won his game for the Oakland hands from the Senators in San Francisco yesterday. Score, 3 to 1. With the bat he lined the sphere out to the tune of 1000, and he had an assemblage of curves that kept the law-makers guessing all the time. Add to this the Southpaw's speed and control and one has nearly the story of the nine-inning struggle that sent the Senators down the baseball ladder one peg.

The Oaklanders started the run-getting in the fifth inning on Dunleavy's single, an error by Sheehan that advanced to second, and Graham's bad mess throw of Unglaub's almost perfect throw to the plate. In the sixth they scored two runs on hits by Dunleavy and Cristall, and a two-bagger by Devereaux.

Stricklett was the only Senator to get a run. He singled, Doyle advanced him with another, and he scored on a steal and McLaughlin's long fly to left. The summary is as follows:

SCORE BY INNINGS.  
1 2 3 4 5 6 7 8 9  
Oakland.....0 0 0 0 1 2 0 0 3  
Base Hits.....0 0 0 2 1 1 2 0 4  
Sacramento.....0 0 0 0 0 1 0 0 1  
Base Hits.....1 0 1 0 1 0 1 0 1  
Summary.....Two-base hits—Hildebrand, Devereaux (2).  
Sacrifice hits—Sheehan (2). Cristall. First base on errors—Oakland, 1; Sacramento, 1.  
First base on called balls—Off Cristall, 4; off Stricklett 3.  
Left on bases—Oakland 5, Sacramento 3.  
Hit by pitcher—By Stricklett, 3.  
Double plays—Doyle to Unglaub; Strieb to Franks.  
Time of game—Two hours, fifteen minutes.  
Umpire—McDonald.

Besides being a baseball player of no mean ability, Doyle is also a fighter of the finished type. In the game at Los Angeles yesterday the Ponies' redoubtable baseman mixed matters with Captain Raymer of Los Angeles, and it required the combined efforts of all the men on both teams and a half dozen policemen to separate the warriors. It all came about over a cheap play at the plate. Doyle accused Doyle of holding him on the third sack, and high words led to blows. While the referee and umpire were doing battle near the third sack, O'Connell decided Raymer's run scored, and for a time it looked as though he and Doyle might come to blows at the home station. Happily the crowd could not watch two battles at the same time, and the O'Connell-Leahy mill was called off.

McDonald and Hall were the counting twelfthers. Both pitched good ball, but "Merry" won his own game in the ninth by lining out a home run which brought in two runs. The score was: San Francisco 7, Los Angeles 6.
